The data on these anonymous evaluations will be compiled and the information used for the instructor's merit and promotion cases, for departmental evaluations of the instructor's performance, and to improve this course.

A. Please comment on the following areas and be as specific as possible:

Question #1 • Text Response • 18 responses (82%)
What are the instructor's teaching strengths?

Results:

- This instructor is great at making sure students can grasp the concept and making time for students to ask questions.
- The Ta's strengths were explaining the topics in different ways so that everyone could understand them.
- The TA did a really good job at clarifying the lecture material and posing philosophical questions.
- Straight forward in grading. Would let students know what would get rid of points and gain points.
- Definitely his availability and how attentive during discussions and one on one meetings.
- Discussion slides are informative, and the discussions are worth the time.
- Really enthusiastic and kind to be around! Really excited to be here.
- goes over rubric for things and mistakes we make in our writing
- He is good at explaining the concepts presented in the course
- Strong slides and great examples during our discussion.
- Very good at explaining technical details of material
- N/A - in a different discussion section

- patient and thorough.
- Nothing
- Passion

Question #2 • Text Response • 17 responses (77%)
How can this instructor improve as a teacher?

Results:

- If he could pop into the breakout rooms, and assist students with discussion. I found that I would ask a question and either one person would respond or nobody.
- I would say possibly making the discussion section materials a little more interactive to keep the attention on students over zoom.
- He could provide more opportunities and activities for students to talk in discussions
- He didn't explain things as well as he could have explained them.
- This instructor can have more structure during the discussion.
- I feel that there is nothing the Ta can improve on.
- I would suggest to slow down during discussions.
- N/A - in a different discussion section
- Feel more involved in the discussion.
- maybe dont be too harsh in grading
- Upload all the slides on Canvas.
- Sometimes bland in lecture
- Colorful presentation.
- More enthusiasm
- Nothing
- None

Question #3 • Text Response • 16 responses (73%)
Any other comments about this course?

Results:

- It was hard to ask questions because of the time constraint; how his slides were not available to follow up during lecture.
- I appreciate how the TA encouraged people to not write their name on their papers to prevent bias whe grading
- I think the class would be more engaging in larger "round table" discussions in person.
- I didn't really find the discussion helpful.
- N/A - in a different discussion section
- No thank you
- No comments
- Nothing.

A. Please comment on the following areas and be as specific as possible:

Question #1 • Text Response • 13 responses (72%)
What are the instructor's teaching strengths?

Results:

- The instructor's teaching strengths are explaining the concepts from the texts fairly well, making sure we understood it. Taking the time to make slides and put in the effort to explain why we were given feedback as well as providing feedback on ways we can improve. He applied real-world examples that matched the week's content which I found helpful.
- His strengths are that he continues to show up and strive for accurate information and discussion even if some students are not willing to participate during session.
- Very responsive and attentive in discussion sections, answers questions straightforward and clears up any doubts or concern properly.
- Great at explaining confusing points of the topics, used good examples, and was overall good at communicating to us.
- The class is structured and usually stays on track, and the examples used help make the ideas more understandable.
- He went over the topics for the week in depth during our discussion sections.
- He is very good at explaining the topics and very organized on the subjects.
- Has a great understanding and perspective on the topics in the class.
- His teaching strengths are his detailed explanation on class topics.
- Very accommodating and passionate to teach.
- He was clear and to the point
- patient, understanding
- Good feedback

Question #2 • Text Response • 12 responses (67%)
How can this instructor improve as a teacher?

Results:

- This instructor can improve as a teacher by adding more enthusiasm to when they are teaching and speaking more clearly. It sometimes sounds like he is mumbling, making it hard to understand what he is saying.
- wish the ta would sound like they have more enthusiasm, but understandable since its a tiring job. Honestly was great overall and enjoyed the discussions.
- He can improve by providing better information and being clear of expectations for papers seeing as they were a little off in terms of expectancy.
- He can force everyone to turn on their cameras for particapitaiton, I feel like the discussion is not as active.
- He can improve his teachings by having a little more detailed feedback on the essay.
- A little more class discussion or interaction might also make things more engaging.
- Be more clear when answering students' questions.
- Not enough content covered in discussion
- More detailed feedback in essay.
- more enthusiasm
